

Caddy

Specification

BISLEY

Personal storage at its very best – the Caddy.

Mobile, secure and multi-functional, your Caddy will perform throughout the workplace; under your desk, against a wall, or can be used to subtly divide open offices.

Mounted on castors, Bisley's Caddy doesn't have to live in one space, it can be taken to wherever it is needed most, using its 360 drag handle.

Both functional and versatile, the Caddy provides not only secure, individual stowage, but with the addition of a seat pad, it's an ideal perch place for impromptu collaboration.

Our large choice of colours, finishes and fabrics make Caddy an attractive and flexible addition to any vibrant, agile workspace.

Features

Set on all-surface castors.

Easy and safe movement with a 360 drag handle.

Available in a range of widths, and with the option of a right or left handed configuration.

Choice of seat pad or wooden top.

Wide selection of colour options, seat pad fabrics and laminate finishes.

Lockable drawers for secure storage.

Five-year guarantee.

Made in the UK.

Benefits

Mobile – The all-surface castors and ergonomic drag handle means the Caddy is easy and safe to move, the two braked wheels ensure it stays in place.

Secure – Lockable drawers for secure storage of office and personal items.

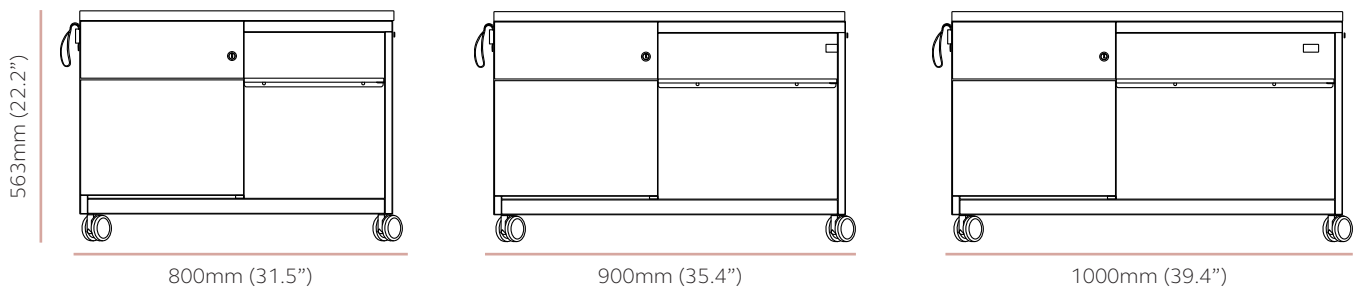

Customisable – Available in either a left-hand or right-hand configuration with an easily adjustable shelf as standard.

Perch point – Add a seat pad to your Caddy to create a perch point for impromptu catch-ups or collaboration.

Colourful – With a broad range of colours, fabrics and laminate available, the Caddy provides an attractive and colourful addition to the workplace.
