Marine Green

Product Left to Right: Plan File, Outline frame, MultiDrawer 12 & 29 series

Product Left to Right: Outline Frame, MultiDrawer 12 series

Marine Green, which sits between green and blue on the colour wheel, is an invigorating, refreshing and uplifting addition to our palette, injecting an air of freshness. Widely associated with personal well-being and transformation, green is known to boost energy and encourage creativity with its positive, uplifting nature.

Product Left to Right: Bridge Skyline

Product Left to Right: Glide, Plan File, MultiDrawer 12 & 29 series
