

Information Security Management System Policy

About Bisley

The Bisley Office Furniture Group conducts its business from its manufacturing site at Newport in South Wales, Bagshot in Surrey and the showrooms located in Dallington Street, London and the Calico Building, Manchester. Bisley is a UK manufacturer of a wide range of steel storage products predominantly for the business workplace, with ranges designed for those working from home for both the UK and international markets. Bisley also manufactures industrial storage products designed for use in heavy engineering environments for both commercial and private sectors.

Scope of the Policy

The scope of this policy relates to use of the database and computer systems operated by the company in pursuit of the company's business of providing provides high-quality, reliable furniture for every working environment. It also relates where appropriate to external risk sources including functions which are out-sourced.

ISMS Policy

It is the policy of F.C.Brown to maintain an information management system designed to meet the requirements of ISO 27001 in pursuit of its primary objectives, the purpose and the context of the organisation.

It is the policy of F.C.Brown to:

- Make the details of our policy known to all other interested parties including external where appropriate and determine the need for communication and by what methods relevant to the business management system.
- Comply with all legal requirements, codes of practice and all other requirements applicable to our activities; therefore, as a company, we are committed to satisfy applicable requirements related to information security and the continual improvement of the ISMS.
- Provide all the resources of equipment, trained and competent staff and any other requirements to enable these objectives to be met;
- Ensure that all employees are made aware of their individual obligations in respect of this information security policy;
- Maintain a management system that will achieve these objectives and seek continual improvement in the effectiveness and performance of our management system based on "risk".

This information security policy provides a framework for setting, monitoring, reviewing and achieving our objectives, programmes and targets.

To ensure the company maintains its awareness for continuous improvement, the business management system is regularly reviewed by “Top Management” to ensure it remains appropriate and suitable to our business.

The Business Management System is subject to both internal and external annual audits.
